

Mike 'Lemmy' Lemieux

**Advanced Alternative Engine Research
Engine & Electronics Group**

Aerospace 'A' Engineering IV (Propulsion and Aerodynamics)

Email: mlemieux@engsoc.org

Mike has been an Engfrosh facilitator for the past four years, helping first year engineering students break the ice with their peers and have a good time. His school projects include: Formula SAE Advanced Alternative Engine Research, the design of an aircraft landing gear system and the conceptual design of an aircraft gas-turbine engine.
